Key words describing the thesis. (Example: Health policy, Immigration, Vulnerable youth)

Semesteradresse/Adress

We need your correct address in order to send you your diploma:

I have recently checked that my address and phone number in Studentweb is correct.

Choose one alternative:

- Yes
- No

Personvern og etikk/Privacy and ethics

If you are [processing personal data in your master's thesis](#), this should be reported to [Sikt \(former NSD: Norwegian Center for Research Data\)](#) or data protection officer (DPO) at an external institution. In some instances it may be necessary to get approval from [REK \(Regional Committees for Medical and Health Research Ethics\)](#). Other approvals or assessments may also be required, e.g. from [NESH, the Norwegian Food Safety Authority - National Committee for the Protection of Laboratory Animals](#) and others. For more information see the university's web site: <https://student.oslomet.no/en/behandling-av-personopplysninger-i-studieoppgaver>

Has the master's project been assessed in relation to privacy and ethics?

SIKT (former NSD)

DPO

REK

Others

Utdypende informasjon personvern og etikk/ In-depth information on privacy and ethics

Any in-depth information about ethical and privacy-related assessments related to the master's project:

Klausulering/Restricted access to the Master's thesis

Theses that are subject to confidentiality by § 13 of The Norwegian Public Administration Act (Forvaltningsloven) will not be published in ODA (Open Digital Archive). Confidentiality due to other restrictions can be made valid for a maximum of 5 years. If you are in doubt your supervisor should be able to give you advice.

- [More information on data privacy in Master's Thesis](#)
- [Link to the forms for Agreements on Restricted access.](#)

Is there restricted access to your Master's Thesis ?

Select one alternative:

- No
- Yes, my thesis is subject to confidentiality (contains personal information about informants or trade secrets)
- Yes, because of other reasons for 1 year (one year embargo before publishing)
- Yes, because of other reasons for 2 years (two years embargo)
- Yes, because of other reasons for 3 years (three years embargo)
- Yes, because of other reasons for 4 years (four years embargo)
- Yes, because of other reasons for 5 years (five years embargo)

Lisensavtale/License agreement

This agreement gives the Department of Research and Library (UB), on behalf of OsloMet – Oslo Metropolitan University, the right to publish the master's thesis in a freely available digital archive.

- **This agreement does not prevent the author from publishing the master's thesis in paper form or electronically elsewhere in an identical or modified version. The author warrants that he or she has the copyright for the work or permission to publish the text on the Internet. The author warrants that the document does not contain material that may be considered a violation of current Norwegian law or contains links to such material.**
- **The author submits the master's thesis in pdf format.**
- **The author can in writing apply to terminate the agreement. The consequence of this is that the document is withheld or removed from the archive.**
- **The Department of Research and Library has the right to customize the master's thesis design for use in new versions of program and / or hardware, as well as convert (without affecting content) to other formats and media so that the document is retained.**
- **The Department for Research and Library has unlimited right, on a reasonable basis, to cancel the availability of the document.**
- **The Department for Research and Library or affiliated institutions can not utilize the master's thesis for economic purposes.**

The work can be used, ie displayed, linked to, quoted from, printed and downloaded, within the scope of the copyright laws of May 12, 1961, No. 2 (intellectual property laws) with changes indicates. ([Http://www.lovdatab.no/all/nl-19610512-002.html](http://www.lovdatab.no/all/nl-19610512-002.html) - link in Norwegian)

Please note that master's theses are generally public. If the thesis does not have restricted access or the embargo period has expired, access to master's theses located in the university's ordinary archive (currently Public 360) will be possible, even if the thesis has not been published in ODA - Open Digital Archive.

Select one alternative:

- YES, I accept the agreement that my thesis will be available to others
- NO, I do not want my thesis to be available for others. (You must choose this alternative if the thesis has restricted access due to the duty of secrecy (contains personal information about your informants or trade secrets.)
